Issue 9

A warm welcome to the October Newsletter

Its all go here at ZeCare with a countdown to this year's Pharmacy show around the corner. Please see page two for a quick update.

The latest concessions for September have been released by the Department of Health and Social Care. (Please see the highlights on the right). Unfortunately, it is still a very challenging time for pharmacies and dispensing doctors to negotiate this turbulent market especially with the dreaded Brexit looming. We continue to work closely with our customers to offer impartial advice on best deals available and pass on any information we may hear in the market.
