It's all go here at ZeCare following a successful Pharmacy Show at the beginning of October. Please see next page for some shots of the team in action!

The latest concessions for October have been released by the Department of Health and Social Care – highlights are listed on the right.

We continue to grow our offerings here at ZeCare and have carried out several market research projects throughout October. We would like to thank those of you who have taken the time to give feedback. This input is invaluable in helping us gather information about which are the right products for our customers. If you use products we don't stock, and you would like us to, please let us know and we will do our best to stock it for you.

Pharmacy Show

18-19 October 2020 • NEC Birmingham

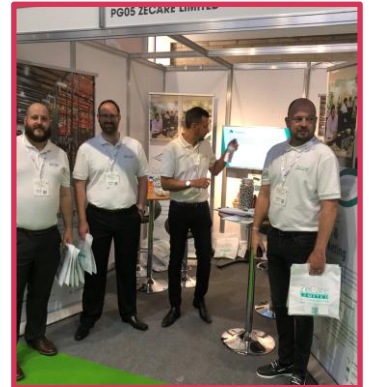

For all that pharmacy demands

It was great to meet so many new faces and some of our regular long-standing customers at this year's Pharmacy Show.

It was a whirlwind couple of days with a lot of interest and some very productive conversations.

We would like to say a big thank you to those who took the time to visit the stand. We look forward to exhibiting in the future. Enjoy the shots of the team in action!
