The office is starting to look like tinsel town. No chance of bah humbug in the ZeCare office.

November was a challenging month for the Industry with B word on and off. Let's see where we are after 12 December! (We have a politics ban here in the office). Please contact the team if you are struggling to source any lines or would like some impartial advice.

The latest concessions for November have been released by the Department of Health and Social Care – highlights are listed on the right.

Our buyer Gemma has again been busy in the market sourcing new and exciting lines as we continue to grow our offerings. Please flip the page to see what's now in stock.
