August 2019

Issue 7

Welcome to the August newsletter

July was a warm one, but we managed to survive the heat wave here in the ZeCare office, largely due to air-con and a regular supply of ice lollies!

Once again, we've had a very busy month. Our buyer has been busy growing our offerings with a number of new emotive lines, mostly PIs. Please turnover to see what we have on offer.

We have recruited a number of new staff as we continue to grow. Take a look at the section below for some more information about the new faces who've joined us recently.

Cat-M is now in place with some positive offerings on reimbursement in a still very unstable market. We will continue to share the market information as we get it and we'll make sure we keep up with developments as they happen.

We're also excited to announce that we will be exhibiting at The Pharmacy Show 2019, held at the NEC in Birmingham. We hope to see many of you there!

The ZeCare Team
