July 2019

Issue 6

Welcome to the July newsletter

Summer is finally here! A sunny Glastonbury and Wimbledon on the television can only mean one thing... the rain must be on its way!

Lots has been happening in the world of pharmaceuticals throughout the month of June and a number of items have hit the news.

Here at ZeCare it has been very much business as usual. Our buyer has once again been busy introducing new lines to our portfolio, please flip over to see what we now have in stock.

The CAT M is now available with some positive results. If you would like a copy with a breakdown of the increase and decrease, please let your Sales Representative know.

We are looking to cut down on our paper output and speed up processes to help pass the benefits on to you the customer. If you would like to receive an electronic copy of your invoice, which can go to multiple addresses, please let us know and we will happily switch you over.

The ZeCare Team

Since ZeCare's inception in 2005, we have managed to hold the minimum order value at £75 for free of charge next working day delivery. Due to increasing costs such as distribution, after careful consideration we have made the difficult decision to implement a new minimum order of £100 commencing from the 1st July 2019.

We would like to take this opportunity to thank you for your ongoing custom.

If you have any queries, please don't hesitate to contact your Sales Representative.

Thank you for your continued support.

ZeCare

SALES TEAM LEADER

I rejoined ZeCare in June 2018 following a 7-year absence due to a relocation up to the north of England. The development and growth at the company in this time is astounding and very exciting.

I love the fact that ZeCare is still very much a customer focused, ethical company that works in partnership with its customers. I am also immensely proud of the team we have built here at ZeCare and very excited to what the future holds.

The company portfolio of products is ever growing, and we continue to increase our customer base. We are often on the road now and I especially enjoy meeting my customers face to face.

Thank you to all our customers old and new - please continue to spread the word about ZeCare!
