September 2019

Issue 8

Welcome to this month's Pharmacy Show edition of the Newsletter!

As mentioned last month, we are pleased and excited to announce that we will be exhibiting at this year's Pharmacy Show held at NEC Birmingham from 7-8 October. Please follow and like us on Facebook, LinkedIn and Twitter to see how things are progressing with the Pharmacy Show and for the latest updates from us here at ZeCare.

Back to the day to day business. August always tends to be a little quieter in the pharmaceutical industry, with the children off school and many chasing the sunshine on their summer holidays. However, this August the market has been as turbulent as ever, and with many faster moving lines jumping up in price which has kept us on our toes. Even so, we continue to work with our customers and suppliers to ensure that we can offer a competitive price and share market information helping our customers navigate the market whatever is happening.

To help us keep abreast of what's happening we often carry out market research projects and would like to thank our customers for all their help and support and for taking time out of their busy days to help us gather key information.

In response to customer feedback we continue to introduce new lines to our portfolio - see details below.

Thank you for tuning in.

The ZeCare team.

New product recently added to our ever-growing product portfolio!

**Glycopyrronium Bromide Tabs 1mg 30's**

Contact your Sales Representative for pricing information.

## +Pharmacy Show

6-7 October 2019 • NEC Birmingham

For all that pharmacy demands

in association with  
Pfizer Healthy Partnerships

ZeCare are excited to be exhibiting at this year's Pharmacy Show, held at the NEC in Birmingham.

The Pharmacy Show 2019 is one of the most important gatherings of pharmacists the sector has seen in over a decade.

There are due to be massive changes in sector services over the coming years and the Pharmacy Show is a great opportunity for pharmacists to come together for two days of education, meeting suppliers and looking at new innovations and offerings available to the industry.

As ZeCare continues to grow, we feel the Show offers a great opportunity for us to meet a wide number of people to let them know how we can help them achieve their goals.

We have lots planned, please follow us on Facebook and if you are not able to attend, you can follow our story and get involved online. Please spread the word to all your pharmacy friends. We look forward to seeing as many of you as possible over the two days.

To book an appointment at the show, please contact us using the details on the right.
